G T Audubon is excited to be a vendor in the upcoming Friday Night Live event held in downtown Traverse City on Friday, August 7th from 6-9 pm. Come check out our table and activities in the 100 block of downtown.

Long-Eared Owl Tagging and Movement Program

We are currently raising funds to allow us to help the Friends of Whitefish Point in their efforts to track the movement of the Long-Eared Owls and see how we can help in scientific endeavors to promote their health and proliferation. See our tab labeled Owl Tracking on our webpage to learn more about the program and/or donate:
