

North Sky Raptor Latest News!
(November 9, 2026)

Lease progress: The proposed 50-year lease for a public raptor center at Camp Greilick, with a potential 50-year extension, has been presented to the Grand Traverse County Commission following unanimous support from the Parks and Recreation Committee. The next step is a vote for final approval, which is currently scheduled for early December. Anyone interested is welcome to attend, and updates will be posted on Grand Traverse County's website.

Matching gift opportunity: We have received a generous $100,000 match to complete the site preparation, including demolition of existing structures and construction drawings. This sets the stage for a Summer of 2027 groundbreaking. We have already raised $32,000 toward this goal and are now focused on raising the remainder within the time allotted to receive the match.
